Statistical Division

These computer printouts contain statistics regarding payments made. The statistics measure the number of days required on average, between all of the steps required to procure payment.

WNRC Accession 69-G3439 Box 23

Destroy immediately.

These computer printouts provide statistics on the awards given out to claimants each year. Although the records are arranged by year, within each year, they are disorganized.

WNRC Accession 69-E3439 Box 22 (partial; see also item 7)

Destroy immediately.

The computer printouts contain the name of the injured claimant, and code numbers denoting the following: district, department, state, occupation, age, nature, location, extent, case, sex, and status. There is no key to the coding system included with the records.

WNRC Accession 69-D3439 Boxes 20-22 (box 22 partial; see also item 6)

Destroy immediately.
