6	MEPI's Application and Reviewer Tracking Database	

MEPI's Application and Reviewer Tracking Database focuses on the pre-award and award phase of a grants lifecycle. The Database is used to track each application request, competed or unsolicited, submitted to MEPI for funding. MEPI uses the system to capture the information supplied by each applicant on the Office of Management and Budget, Application for Federal Assistance's form (SF-424) and maintains electronic copies of the applicant's proposal(s). The database also assigns and tracks technical review panels, details panelists' experience and comments on reviewed applications, and solicits invitations for limited competition opportunities. The database contains Personal Identifiable Information (PII). Inclusive dates of record are March 30, 2011 to present.
