Bureau of Population, Refugees and Migration (PRM)
Abacus Program, Budget and Funds Tracking System
Records Disposition Schedules

The Abacus database enables the Bureau of Population, Refugees and Migration (PRM) to capture, store, and track details of program funding actions. The database is used as a tool for the development of PRM annual budget requests, to provide easy comparison of obligations and disbursements by individual organizations and projects and to meet the detailed reporting requirements of the Department, the Office of Management and Budget and of the Congress.

1a. Abacus Program, Budget and Funds Tracking System

Description: a. System Stored Data File

System contains project names, creation dates, approval dates, funding amounts, and other information from grants, agreements, proposals, budgets, and obligation, disbursement and other financial documentation from Non-Governmental or International Organizations and the Department from 2005 to the present.

Data searchable by available data fields, including funding sources, dates, keywords, organization awardees, program officers, and program/project.

Information used for data entry comes from proposals, grants and agreements, and obligation and disbursement documentation.

Disposition: Temporary. Cutoff at end of fiscal year when funds obligated. Destroy 10 years after cutoff or when no longer needed for agency business, whichever is later.

DispAuthNo:

1b. Abacus Program, Budget and Funds Tracking System

Description: b. System Outputs

Status reports, congressional reports, financial and budget reports.

Disposition: Temporary. Destroy when no longer needed.

DispAuthNo:

1c. Abacus Program, Budget and Funds Tracking System

Description: c. Documentation

Data systems specification, file specifications, security plans, audit recommendations, codebooks, record layouts, user manuals, output specifications, and final reports relating to master file, database or other electronic records.

Disposition: Temporary. Destroy upon authorized deletion of the related electronic records or upon the destruction of the output of the system if the output is needed to protect legal rights, whichever is later.

DispAuthNo: GRS 20, Item Na(1)

1d. Abacus Program, Budget and Funds Tracking System

Description: d. Backups of Files

Stored data file is backed up to tape on a weekly basis. Duplicates tapes are rotated offsite to the upgrade contractor, Agency for International Development (USAID), to ensure data availability in case of disaster.

Disposition: Temporary. Delete when the identical records have been deleted, or when replaced by a subsequent backup file.

DispAuthNo: GRS 20, Item 8b
