Arms Control and Disarmament Agency(ACDA): Office of the General Counsel(GC), Bureau of Weapons Evaluation and Control (WEC), Office of the Director(D), Office of Administration(A), Office of Public Affairs(PA), Bureau of Multilateral Affairs(MA), General Advisory Committee(GAC), Bureau of Non-Proliferation(NP), and Bureau of International Security Programs(ISP).</p> <p>The volume of most accumulations is small. Since some temporary records still must be retained for current business their disposition instructions call for transfer to and storage in the Washington National Records Center(WNRC) space for a period not less than three years. Other temporary records of no further usefulness will be destroyed in-house immediately after approval of this request. Since most of the records proposed for permanent retention in this request are security classified, disposition instructions call for their transfer to WNRC storage with offer to the National Archives and Records Service(NARS) when 30 years old or when declassified whichever is sooner.</p> <p>Records listed in this request now occupy agency space.</p> <p>Record items follow on SF115A, Continuation pages</p> | | 60 items |
