

## **7558.1 Aviation Management Systems**

### **7558.1 Aviation Management System (AMFS)**

AMFS manages aviation costs within the Department, tracks vendor payments, and generates bills to aviation users. System includes travel records (missions flown and flight logs), records for financial transactions related to government-owned property, and other fiscal management records.

Disposition: Temporary. Cut off when funds are obligated. Destroy 6 years and 3 months after cut-off.
