## Reasons for Submission:

- (1) This action provides for the disposition of several records common to most OS records offices, including several previously unscheduled items (some of which are permanent items related to Indian Fiduciary Trust).
- (2) This action updates several obsolete OS records series, modifying them for proper use in the new schedule
- (3) This action incorporates several items from the GRS for increased accessibility by OS employees, making the records schedule easier to use and placing closely related items in one location.
- (4) This action suggests an alternate disposition for items related to GRS 16-14a, to more closely meet OS’s needs.
- (5) This action incorporates the records into the numbering pattern of the Office of the Secretary Records Schedule.
