7558.4 Master Data Files of Inter-Agency Aviation Training System (IAT). IAT is a system developed for the establishment of aviation training standards and records for natural resource and firefighting employees of the Department of the Interior, U S Forest Service and their cooperators The system provides standardized required aviation training, tracks student training records, instructor qualifications, and training schedules Interagency aviation qualification, certification and documentation are other functions that are integral parts of the system.

Disposition: <u>Temporary</u>. Cut-off at the end of the fiscal year Destroy 7 years after cutoff or when no longer needed, whichever is later

SF 115 Supplementary Cover Sheet

Summary:

This action establishes one new Office of the Secretary Series entitled

"Inter-Agency Aviation Training System"

Reason for submission:

- This action provides for the disposition of records maintained in the Inter-Agency Aviation Training System (IAT) - a previously unscheduled system that standardizes training, tracks students & instructors, schedules classrooms, conferences on behalf of AMD, all DOI butcaus Forest Service. Vendors and the Public
- 2) This action also incorporates the series in to the numbering pattern of the Office of the Secretary's new record schedule
