Telephone Summaries, item 4 (Reserved)  
Telephone call detail records. |

a. Records relating to use of agency telephone systems to place long distance calls. Computer generated listings of calling and called phone numbers, dates, specific time and length of calls. These records are maintained in both electronic and hard copy form.

b. Records relating to the location of telephones, and records indicating assignment of telephone numbers of employees. This record series consists of telephone directories that are maintained in predominantly hard copy form; however, some may exist in electronic form.

Destroy when three years old.

NOTE: For a. above - electronic records will be maintained for 3 years by the Department. Paper reference copies sent to offices and bureaus may be destroyed when no longer needed or when 3 years old, whichever comes first.

Since these records are used in conjunction with one another to monitor long distance telephone calls; they constitute a system of records that is subject to the Privacy Act.
