1. Fire Equipment and Development Files (9216). Confidentiality: Record Category 3, Non-public. Exclusions; contracts and acquisition actions for equipment products - Schedule 3/3 and property inventory files - Schedule 4/5.

Records include equipment development projects for fire engines and pumpers, including construction drawings, electrical schematics, parts lists, assembly diagrams and operation manuals for BLM wildland fire engines, water tenders, slip-on pumper units and other related fire equipment.

Disposition: Records should be retained throughout the life cycle of the equipment and may be destroyed within four years after the equipment is taken out of service, sold or donated. Records for fire equipment reassigned to another BLM service area should be transferred with that equipment.

Records are maintained by the Fire and Aviation Directorate, Division of Fire Operations at the National Interagency Fire Center. Copies of records may be kept with contracting packages (Schedule 3/3) at the National Operations Center, and with property inventory files (Schedule 4/5) at the responsible property management office.

Schedule Options: Include as Schedule 18/32i.
