

# INACTIVE - ALL ITEMS SUPERSEDED OR OBSOLETE

## **Schedule Number: NC1-057-81-06**

All items in this schedule are inactive. Items are either obsolete or have been superseded by newer NARA approved records schedules.

### Description:

All records were dated 1976 and earlier. All were to have been destroyed by 1989. Affected records were intermixed with records not covered by this schedule in many FRC transfers. Agency was to identify them for pulling. Disposal of all records is assumed. If any survive, they merit being scheduled anew because of their subject matter. (BLM later rescheduled similar records under N1-049-90-001, item 14, for 30-year retention. Even at that rate, all records covered by this item would have been eligible for disposal in 2007.)
