Draft Request for Records Disposition Authority, attachment to SF 115
N1-075-06-3
August 30, 2005

Great Lakes Agency Database System - GLADS System Description:

The Great Lakes Agency Land Database, programmed using dbase V, provides current and accurate information pertaining to land title and is used to account for all Land Consolidation Project transactions and collections. An inventory for a potential land sale can be recalled and printed on demand. Data is entered by realty staff, which includes probates, deeds to restricted Indian land for land consolidation as well as the acquisition and disposal sections. The database is capable of printing multiple reports when requested, including statistical information regarding tribal allotted, unallotted and fee interest.

The purpose of the system is to produce land inventories, summaries, deeds to restricted Indian land, exhibits "A's", and tract LCP transfers.

a. Inputs:

The inputs are keyed into the system and include: probates, deeds to restricted Indian land for land consolidation, acquisition and disposal.

Disposition: Apply disposition instructions approved for paper and microfilm records.

b. Master Data Files:
