COMPANY CREDIT EVALUATIONS AND EXPOSURE DETERMINATIONS

4. **RIK Counterparty Credit Worthiness Determinations.** The records in this series include credit scoring analyses, credit notifications, financial statements including balance sheets, income statements, statements of cash flow, shareholder equity financial statements, parent company guarantees and related correspondence of energy entities that are currently participating or proposing to participate in the RIK program. These determinations are prepared initially for new companies and annually for companies with financial statements.

Disposition. Cutoff at the end of the fiscal year. Transfer to the FRC 5 years after cutoff. Destroy 10 years after cutoff.

5. **Exposure Monitoring and Determination.** These records include the monthly calculations that are performed to determine the amount of exposure that the RIK Program has, if any, by comparing the 60-day value of product being sold to the company against the company's amount of unsecured credit plus the amount of the secured credit the company provides via letters of credit, bonds, and prepayments. For companies making prepayments, these are monthly calculations that are performed to determine the following month's estimated exposure and the amount of prepayment that is required. These calculations can carry over from expiring contracts to subsequent contracts.

Disposition. Destroy when superseded or when no longer needed. Not to exceed 2 years.

6. **Secured Credit.** Letters of Credit, bonds, other surety instruments and correspondence to companies requesting additional secured credit.

Disposition. Maintain for the term of the sale. Cutoff after term of sale. Make photocopies for RIK documentation and return originals to the company. Destroy copies 10 years after cutoff.

CONTRACTS.

7. **Base Contracts.** These are umbrella agreements between MMS and the potential buyers of gas and/or oil. They are the terms and conditions that will prevail in individual sales transactions.

Disposition. Cutoff when modified or superseded. Transfer to the FRC 5 years after cutoff. Destroy 10 years after cutoff.

8. Contracts (includes transportation and gas processing contracts). Includes contracts for moving oil or gas on pipelines or to permit gas plants processing natural gas to remove gas liquids.

Disposition. Cutoff on termination of lease or property transfer out of the RIK program. Transfer to the FRC 5 years after cutoff. Destroy 10 years after cutoff.

9. Electronic Mail and Wordprocessing Records. Electronic copies of records that are created on electronic mail and word processing systems and used solely to generate a recordkeeping copy of the records covered by this schedule.

Disposition. **Temporary.** Delete after recordkeeping copy has been created.
