| 0002    | Title: Audit – External Reviews                |
|         | Title Memo: To implement the "big bucket" approach this item includes a broad spectrum of audit documents. Documents retained under this item have been collected during audit processes by sources external to Public Debt. Public Debt or any of the governmental oversight agencies may have initiated the audit. The subject matter will cover program and administrative matters including, but not limited to, saving bonds, marketable securities and special investment programs, information technology, accounting, equal employment opportunity, A-76, personnel, procurement, and emergency planning. Authorities currently covering these subjects include N1-53-78-04, item 08; GRS-06, item 01, GRS-16, item 14F, GRS-01, item 25D, and others. The documents include copies of records provided during the audit process, findings or recommendations, responses to the findings, follow up actions, and corrective actions. |
|         | Cost Code: OPE                                  |
|         | Computer System:                                |
|         | Retention Years: 7                              |
|         | Retention Description: Temporary. Cut off files at the end of the year after completion of audit and transfer to offsite storage. Destroy 7 years after cut off. The record copy is the medium compatible with the office record keeping process. Other copies may be destroyed after the record copy is in the record keeping system. |
### Title: Electronic Mail and Word Processing System Copies

**Title Memo:** Electronic copies of records that are created on electronic and word processing systems and used solely to generate a record keeping copy of the records covered by the other items in this schedule. Also includes electronic copies of records created on electronic mail and word processing systems that are maintained for updating, revision or dissemination.

**Retention Description:** Temporary.
- **a.** Copies that have no further admin. value after the record copy is made. Includes copies maintained by individuals in personal files, personal electronic mail directories, or other personal directories on disk or network drives that are used only to produce the record copy. - Destroy/delete 180 days after the record copy is produced.
- **b.** Copies used for dissemination, revision or updating that are maintained in addition to the recordkeeping copy. - Destroy/delete when dissemination, revision, or updating is completed.
