**6.1 Interest Expense on the Public Debt - Paper**

This hard copy report is issued on the 8th day of each month and reflects the accrued interest of all redeemed securities. It is created on a spreadsheet application using the PARS Report 743 and adjustments from other data sources.

Disposition: PERMANENT. Arrange published reports by date and cut off reports at the end of each fiscal year. Hold the previous year reports and transfer reports to NARA in blocks of five years. Annual accumulation is 1 inch.

**6.2 Interest Expense on the Public Debt - Electronic**

This is the spreadsheet version that produces the record (paper) copy of the report.

Disposition: Temporary. Destroy the electronic copy 30 days after final report is issued or superceded by the next report.

**7.1 Monthly Statement of the Public Debt (MSPD) - Paper -  
October 1999 to present**

This hard copy report is issued on the 4th day of each month and provides an explanation of how the federal Government is financed. It is created on a spreadsheet application using the PARS Report 771 and adjustments from other data sources including the inflation index securities, the State and Local Government Report, and the Federal Financing Bank program.

This report was previously scheduled as a temporary record under NC1-53-83-03, item 49.

Disposition: PERMANENT. Arrange published reports by date and cut off reports at the end of each fiscal year. Hold the previous year reports and transfer reports to NARA in blocks of five years. Annual accumulation is 1 inch.

**7.2 Monthly Statement of the Public Debt (MSPD) - Electronic -  
October 1999 to present**

This is the spreadsheet version that produces the record (paper) copy of the report.

Disposition: Temporary. Destroy the electronic copy 30 days after final report is issued or superceded by the next report.

### **7.3 Monthly Statement of the Public Debt (MSPD) - Paper - July 1953 to September 1999**

This hard copy report was originally entitled the Daily Treasury Statement. The statements from July 1953 to September 1999 are stored as an electronic image in a Portable Document Format (PDF) and will be reproduced on paper before transfer to NARA.

Disposition: PERMANENT. This is a one-time transfer of these past statements and will be transferred to NARA in 2001.

### **7.4 Monthly Statement of the Public Debt (MSPD) - Electronic - July 1953 to September 1999**

This is the Portable Document Format (PDF) version that produces the record (paper) copy of the report.

Disposition: Temporary. Delete after hard copy versions are transferred to NARA or when no longer needed for operations, whichever is later.

## **8.1 System Documentation - Permanent Tables**

System specifications, file specifications, codebooks, records layouts, and user handbook relating to data. The record layouts and codes must match the copy of data transferred. System documentation includes written statement by BPD providing explanation of processing and editing of PARS data for use by NARA researchers.

Note: If BPD chooses to transfer system documentation in electronic format, they must follow the transfer requirements in 36 CFR 1228.188. Hardcopy version is also acceptable.

Disposition: PERMANENT. Transfer copy of documentation with first transfer of data to NARA. Thereafter, transfer copy of updates and changes to the documentation with subsequent data transfers.

## **8.2 System Documentation - Temporary Tables**

System specifications, file specifications, codebooks, records layouts, and user handbook relating to data.

Disposition: Temporary. Destroy or delete when superseded, or upon authorized deletion of the related database, or upon the destruction of the output of the system, whichever is latest.

### **8.3 System Documentation - electronic**

Electronic versions of systems documentation created by word processing or other electronic applications.

Disposition: Temporary. Delete when recordkeeping copy is produced or when no longer needed for operations, whichever is later.
