	MyCDFI Background: The MyCDFI System collects data on its certified Community Development Financial Institutions (CDFIs), Community Development Entities (CDEs) Applicant and Awardees. MyCDFI is the primary vehicle through which the CDFI Fund communicates with and gathers information from applicants, awardees, CDEs and CDFIs. The system also maps geographies served by an organization. Description: Public Website consists of the MyCDFI Fund application and supporting infrastructure as well as the CDFI Fund's presence on the web. The MyCDFI allows Fund applicants, awardees, and allocates with an Organization Account to access all their electronic program applications; update their organization and contract information; create and maintain additional user accounts with various access levels; the ability to designate, test and save geographic data regarding their service areas, and to access an announcement box with communication Fund staff.
