7 ITEM NO	8 DESCRIPTION OF ITEM AND PROPOSED DISPOSITION	9. GRS OR SUPERSEDED JOB CITATION	10 ACTION TAKEN (NARA USE ONLY)
	RCS 1.15.18 for Records of the Enterprise Computing Center - Detroit Update to RCS: 1.) <u>New Item 55</u>, Federal – State Business Return Transcription File (BRTF) Extract *RCS 1.15.35 for Tax Administration Electronic Systems 1.) Add pointer to Item 55 in RCS 1.15.18 RCS 1.15.35 is a cross-walk of electronic systems to official IRS Records Control Schedules. The records are owned by the SB/SE Government Liaison Data Exchange and processed by the Enterprise Computing Center – Detroit.		

<p>RCS/18, Item 55</p>	<p>Background:</p> <p><i>The Federal-State Business Return Transcription File (BRTF) extract contains data from Forms 941, 1041, 1065, 1120, 1120S, 706 and 709. The information on the BRTF extract is obtained from the tax return as originally processed (which would reflect math error corrections) and is not updated to include amended returns or subsequent adjustments. Therefore, discrepancies may exist between information on this extract and other sources, including other IRS Master Files.</i></p> <p>Description:</p> <p>The Federal – State Business Return Transcription File (BRTF) annual extract create a file of taxpayers whose return posted between cycle 40 of the previous processing year and cycle 39 of the current processing year. The BRTF contains business tax return information as it was transcribed.</p> <p>a. Inputs:</p> <p>Includes data extracted from two IRS files, the Business Master File (BMF) and the Business Return Transaction File (BRTF). The BMF/BRTF extract is actually two separate extracts. Agencies must enroll for the BMF extract in order to enroll for the BRTF extract since name and address information is not included on the BRTF extract. The only exception is that an agency may obtain the BRTF extract for the Form 706 data only as it does include name and address information. These two extracts are usually referred to as one, using the singular grammatical form.</p> <p><i>Disposition: Temporary. Note - The Business Master File (BMF) and Business Return Transaction File (BRTF) are scheduled records under IRM 1.15.29. Information extracted from the BMF and BRTF can be deleted/destroyed upon verification or when no longer needed.</i></p> <p>b. System Data:</p> <p>The Business Return Transaction File (BRTF) contains line items and data elements from the</p>	<p>NEW</p>	
----------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	------------	--

following Forms: 5-2, 1041, 1065, 1120, 1120S and 706. The extract Year 2007 BRTF Extract would include records for Original returns that posted from Cycle 200640 to 200739.

Disposition: Temporary. Destroy when 3 years old or no longer needed for operational purposes, whichever is sooner.

c. Outputs:
