JOB NUMBER

**Background**

The EOE system is used to track and remind Exempt Organizations (EO) with a Group Ruling when their Supplemental Group Ruling Information (SGRI) subordinate listing is due. A monthly extract creates a listing for those Group Ruling EO's whose tax returns will become due six months later. The system sends these organizations a series of letters identifying information that is required from them and when it is needed. EOE tracks the dates the letters and any subsequent follow-ups were sent and the date the response (SGRI) was received.

**A. Inputs**

Information is input into the system electronically from the BMF and also manually via EOE users.

**Disposition: TEMPORARY. Delete/Destroy when necessary data has been incorporated into a master file.**
