**SUMMARY**

This job consists of two series from the Comptroller of the Currency dealing with the licensing procedures for National Banks.

National Banks are chartered by the Comptroller of the Currency when founded. Such charters were originally for a finite period, after which the charters needed to be extended. These two series consist of Comptroller copies of the certificates for extension and reextension of charters, dating from 1882 to 1922. While they have administrative and legal value for the agency, documenting the legal process for extending the charter for each bank, these certificates have no archival value. The historical data on these banks is contained in the original charters and registers which are scheduled as permanent under Schedule C, Item 1 of the agency's disposition schedule.

I recommend approval of this job.

**RECOMMENDATION**

- 1. APPROVED FOR DISPOSAL. The records described under all items of the schedule, except those that may be listed in blocks 2, 3, and 4 of this section, are disposable because they do not, or will not after the lapse of the period specified, have sufficient administrative, legal, research, or other value to warrant their continued preservation by the Government.
- 2. APPROVED FOR PERMANENT RETENTION. The records described under the following item or items have been appraised by the National Archives and Records Administration (NARA) and are determined to have sufficient historical or other value to warrant their continued preservation by the United States Government. The agency will offer these records to the National Archives as specified
- 3. DISPOSITION NOT APPROVED. The records described under the following item or items are not approved for disposition.
- 4. WITHDRAWN. The records described under the following item or items have been withdrawn at the request of the agency and/or NARA
