<td>Loan Ledger Card Files. Entries in the registers show dates of commencement of actions on loans, dates and notations regarding subsequent actions such as refinancing, extensions and cancellations, and final actions. The receiving and releasing registers were used to follow through the various actions on loans issued by the Corporation. They served as indices to the loan and property ledger cards and provided succinct and substantiating information on all action taken in connection with property covered by an HOLC loan. Disposal Job No. NN-172-103 authorized disposal of the loan ledger cards. The registers amount to ca. 25 cu. ft. of records.</td>

<td>Mortgage Loan Audit Registers (Pre-Audit Registers), 1933-35. Destroy immediately. These registers (maintained in loose leaf post binders) were prepared by the Mortgage Loan Division in the various regional offices to provide summarized data on all original loans issued by the Corporation for audit purposes. These registers are arranged by loan numbers, within the State and District where the loan was issued. The registers show the name and address of the mortgager, appraised value of property, bond authorization number, payments to mortgagee, payments on account of mortgagee, insurance outstanding, various fees paid and other expenses, pertinent remarks, and auditor's check. In addition, an auditor's entry on subsequent dates concerning the status of the note covering the loan is shown on an attached sheet; viz., note on hand, paid in full, transferred to property management, etc. These registers amount to ca. 60 cu. ft. of records.</td>

distressed home owners. These records were arranged by bond authorization number and divided into the different series of issuances; viz., Series A, B and C, depending on the authorized rate of interest which raged from 2 1/4 to 4%. The basic form which constituted this file was the original recepted authorization for the delivery of the specific bonds. Accompanying this delivery form were advices of shipment which showed the number and amount of bonds issued. The microfilm amounts to ca. 25 cu. ft. of records.

6. Treasurer's Check Carbons (Microfilm - 16 mm), 1933-41. Destroy immediately.

This microfilm was exposed in 1941 by Home Owners' Loan Corporation for check carbons covering all disbursements from and to the capital account of the corporation. The microfilm amounts to ca. 8 cu. ft. of records.

7. Records of Loans (Microfilm - 35 mm), 1933-42. Destroy immediately.

This microfilm was exposed by the Corporation in February 1942 for transcript of loans maintained by the Audit Section, Comptroller's Division, Home Office. The transcripts are arranged by loan number within the State of issue and show the name and address of borrower, date of note, amount of bond authorization, accrued interest cash disbursement and totals. Preceding these transcripts are recapitulations of accumulated disbursed loans. The microfilm consists of 17 rolls.

8. Home Office Administrative and Legal Correspondence Files, 1933-51.

These administrative and legal correspondence files of the Home Office of the Home Owners' Loan Corporation reflect the administrative and legal history of the Corporation. These files were maintained at the highest echelon of the Corporation: the Office of the General Manager, the Legal Department, the Office of the Treasurer, the Home Accounting Office (including the Chief Accountant), the Auditing Department, and the Pre-Audit Division. The files relate to policy and procedural matters and include such material as administrative orders, instructions, and interpretations; reorganization plans; budget, research, statistical, and annual reports;

   b. Records selected and designated by NARS as having archival value. PERMANENT. Offer immediately for transfer to NARS.

These administrative correspondence files were maintained by the Home Office of the Home Owners' Loan Corporation in connection with its participation in the property conversion program of the National Housing Agency pursuant to the Lanham Act of October 14, 1940 (34 Stat. 1125). This Act authorized the leasing by the Federal Works Administration of properties which could be converted into rental dwelling units to house in-migrant defense workers. The program was transferred by Executive Order 9070 (Feb. 24, 1942) to the National Housing Administrator, who delegated to the HOLC responsibility for acquiring properties by lease, converting the properties to rental units, and managing the units. These files include NHA directives; administrative, operational and statistical reports; basic instruction letters; sample administrative cases; and related correspondence. The files amount to ca. 27 cu. ft. of records.

These audit reports were prepared by field auditors of the Home Office auditing activity in connection with their periodic inspections of field or regional offices of the Corporation. The reports amount to 127 cu. ft. of records.
