7. ITEM NO.	8. DESCRIPTION OF ITEM (WITH INCLUSIVE DATES OR RETENTION PERIODS)	9. SAMPLE OR JOB NO.	10. ACTION TAKEN
1.	Original Navy and Marine Corps payroll records, 1916-48, totaling 9877 cubic feet, located at the National Personnel Records Center, 9700 Page Blvd., St. Louis, Mo. DESTROY IMMEDIATELY. Immediate one-time disposal authority is sought for these payroll records that are now scheduled for a 56 year retention period pursuant to Disposal Job No. II-NNA-224, item 2. This action is taken because experience has shown that reference on these records is so negligible that their continued long-term retention cannot be justified. This is especially true in light of their great volume and the acute need of the National Personnel Records Center for additional storage space as a result of the recent fire. The negligible reference on these payroll records has been confirmed by the Chief of the Navy Reference Branch and the Chief of the Navy Correspondence Section.* It should be noted that the Navy and Marine Corps service records—none of which were destroyed in the Center fire—provide sufficient information to protect the rights of individual servicemen and of the Federal Government. * Navy has given its verbal concurrence to this disposal.
