8. DESCRIPTION OF ITEM
   (WITH INCLUSIVE DATES OR RETENTION PERIODS)

   These War Department regular military pay vouchers are now scheduled for disposal after 56 years, pursuant to Disposal Job No. II-NNA-224, item 2. This proposed schedule will allow their destruction one to three years prior to the expiration of this retention period.

   Approval is requested because the settlement accounts of which the regular military pay vouchers are a part are now being screened for final military pay vouchers (pay received at the time of discharge), and it would be in the interest of efficiency and space-saving to dispose of them during the screening operation. Furthermore, their early disposal will cause no problems in documenting military service, since such documentation is provided by the final pay vouchers and by other alternate sources.
