Records generated by the Office of the Secretary of the Senate which are accountable officers' accounts maintained for site audit by GAO, consisting of statements of transactions, statements of accountability, related vouchers and schedules and supporting papers.

Destroy 12 years after the close of the fiscal year in which the account was paid.

The General Accounting Office is requesting an exception for these records which would normally be scheduled under job no. NC1-217-78-3. The Senate has informed us that the records would be needed for a longer period (at least two terms) because of pending and future investigations.
