COMMENT SHEETS

ITEM  DESCRIPTION

The Branch Office Survey System (BOSS) Report Comment Sheets are completed by the Office of Thrift Supervision (OTS) analysts to document conversations with savings and loan institutions regarding their BOSS reports. The Comment Sheets are used only when the report is received with errors, only a paper copy is received, and/or, contains significant or questionable data. Over time, these records may indicate whether a thrift has a reporting problem.

This form is used to summarize what has occurred between the analyst and the institution and is attached to any documents subsequently sent to OTS (such as the image print of the report with errors, the prior year's report, any edit reports, and faxes).
