	<p>In May 1977 the Maritime Administration (MarAd) undertook a program, in the Office of Maritime Manpower, of reviewing accession 357-65A-282 which consisted of original applications for decorations and letters (awards), medical records including sign on examinations, outpatient treatment cards, and full case histories of merchant seamen by individual name. These records date from 1940 to the present. This accession contained 1544 cubic feet of records. The review plan called for a thorough review of each individual seamen's file with the idea of removing any information which MarAd had no use nor authority for maintaining. 	<p>information was removed from these files, they were retitled Seaman's Awards Files. The records center will not accept these records under the old disposition authority which was MarAd Schedule 2-25 ITEM#63. For this reason and the desire to have these records immediately and properly stored in a Federal Records Center repository, I am requesting that a new disposition authority be granted for this particular group of records which will also be included in a new MarAd Records Control Schedule. I cite Public Law 84-759, General Order 81, rev., Part 350 Maritime Administrative Order 25-1, as the authority for retaining these files for MarAd to certify the eligibility for replacing awards and decorations to seaman, or their survivors, for a period of 75 years after the date of their birth.</p> <p>1. <u>SEAMAN'S AWARDS FILES</u></p> <p>Dossiers on Merchant Seaman containing personal data relating to Merchant Marine Awards as provided in Public Law 759, 84th Congress, approved July 24, 1956, as administered under Assistant Secretary of Commerce for Maritime Affairs General Order 81, revised, filed in Federal Register issue of October 4, 1973(38FR 27525).</p> <p>⁶⁰ DESTROY 75 YEARS AFTER ^{TRANSFER} BIRTHDATE OF INDIVIDUAL MERCHANT SEAMAN FILES TO F.R.C.</p> <p><i>Commerce concurs in above change.
