Correspondence and Reports Pertaining to the Management of the Contract. (Filed by Subject.)</p> <p>Retain for 20 years, 6 months, after final payment is made on the Prime Contract.*</p> <p>*AUTHORITY: The Federal Railroad Administration has indemnified the primary contractor, DeLeuw, Cather/Parsons (DCP) against claims arising from its duties regarding the Northeast Corridor construction.</p> <p>Ordinarily the General Records Schedule retention period of 6 years, 3 months, is sufficient to protect the government if third-party claims arise; however, since DCP is not a government entity, it is not protected by the usual statute of limitations but is subject to state laws regarding liability for negligency. Several states along the Northeast Corridor have statutes of limitations of up to 20 years of the accrual date of the cause of action. For this reason, it is requested that these records be destroyed 20 years, 6 months, after final payment is made on the Prime Contract (Contract Number DOT-FR-76048).</p>		<p>WITHDRAWN</p>
