1.	<p>Northeast Corridor Improvement Project (NECIP) Procurement Files</p> <p>Files documenting transactions for all FRA contract work related to the NECIP Project. Records include FRA direct contracts, DCP contracts and subcontracts, AMTRAK force account work and subcontracts, and related records.</p> <p>Transfer files to FRC upon close-out and final payment of individual contract cases. Office of Procurement (RAD 30) will review every 5 years to determine status of contract DOT-FR-76048. Destroy 20 years and 6 months after final payment of contract DOT-FR-76048.</p> <p>NOTE: FRA has indemnified DCP against claims arising from its duties regarding NECIP construction. Ordinarily, the 6 year-3 month retention period is sufficient to protect the Government if 3rd party claims arise. However, since DCP is not a Government agency, it is not protected by the usual statute of limitations and is subject to State law regarding liability for negligence. Several NECIP States have statutes of limitations of up to 20 years of the accrual date of the cause of action. Final payment on contract DOT-FR-76048 is projected for 1985.</p>	GRS 3/1 (submit 115)	
2.	<p>Internal Staff Directives</p> <p>Destroy on site two years after superseded, canceled, expired or when no longer needed, whichever is later.</p>	GRS 16/1a (submit 115)
