Request for Records Disposition Authority

Records Schedule Number: DAA-0015-2015-0004
Schedule Status: Approved
Agency or Establishment: Department of Veterans Affairs
Record Group / Scheduling Group: Records of the Department of Veterans Affairs
Schedule Subject: Office of Research and Development

Background Information:
The Veterans Health Administration's (VHA) research program is an intramural program administered by the VHA Office of Research and Development (ORD) and conducted at Veterans Administration (VA) medical facilities nationwide under the authority of Title 38 United States Code (U.S.C), 7303. Federal records and copies of working documents are produced within ORD and by all VA medical facilities conducting research. These records relate to the administration of the research programs and the conduct of research.

Analysis: This appraisal and related SF 115 covers records created by the Office of Research and Development or other designees. The records contain information on patients, VA health care providers, VA employees, community members, vendors and other individuals.

3 Non Profit Research and Education Corporations (NPC)
This section covers records relating to ORD's oversight and guidance of Non Profit Research and Education Corporations (NPC) established at VA medical centers. NPCs exist to provide VA medical centers with flexible funding mechanisms to support VA's research program. This funding mechanism is other than those funds received by VA from VA's Congressional appropriation. NPCs associated with the VA are non-government entities created pursuant to title 38 U.S.C. 7361-7366. NPC business records are not subject to disclosure under the Freedom of Information Act (FOIA).

3.1 Annual Reports from NPCs
Disposition Authority Number
DAA-0015-2015-0004-0014

NPCs are required to submit an annual report that details their operations, activities and accomplishments during the previous year. The annual report consists of, but is not limited to, signed certification, independent auditor's report, audited financial statements, IRS Form 990 or 990EZ with schedules, and related revenue and expense information.

This section covers records relating to VA's adoption and implementation of the Federal Policy (Common Rule) for the Protection of Human Subjects (1991) that requires assurances and IRB approval of human subjects research conducted by VA to protect the rights and welfare of human research subjects. ORD is responsible for the review, management and oversight of the VA Central IRB and Human Research Protection Program (HRPP) for VA Central Office.

VA Central IRB Protocol Files
Files related to the review and oversight of human subjects research protocols submitted by VA investigators to the VA Central IRB. Records include, but are not limited to, the application to the VA Central IRB; research protocol and amendments; case report forms; informed consent template and HIPAA Authorization template; reports of adverse events, complaints and deviations from IRB-approved protocol; data and safety monitoring reports; research findings to date; and all relevant documents and related correspondence between the VA Central IRB and the investigators in the review of an associated protocol.

### VA Field Facility Research Program

This section covers records relating to the administration of intramural research programs and conduct of individual research projects at VA field facilities, some of which are funded by VA research appropriation. The research programs at each VA field facility are a decentralized program under the facility's direction. Policies for the administration of research programs and conduct of research are set by ORD.

**Documentation of Required Activities**

Disposition Authority Number: DAA-0015-2015-0004-0027
These files include, but are not limited, to documentation of required education by research staff; protocol activities including documents created or used in submitting protocols for funding, approval status from required research review committees, status (e.g., active or completed) of protocols, and protocol funding source; and research related agreements, such as memorandums of understanding and Cooperative Research and Development Agreements (CRADAs).

Research records maintained by the investigator that span the entire lifecycle of the project and the records required by regulations such as the investigator's regulatory file. Records include, but are not limited to: • research protocol and all amended versions of the protocol; grant application; review committee correspondence (e.g., Institutional Review Board, Institutional Animal Care and Use Committee, Research & Development Committee) including documents approved by the review committees; • correspondence with ORD, regulatory entities, sponsor and/or funding source, correspondence; • case report forms and supporting data (including, but not limited to, signed and dated informed consent forms and HIPAA authorization forms); • documentation on each subject including informed consent, interactions with subjects by telephone or in person, observations, interventions, and other data relevant to the research study; • data collected during the research including photos, video recordings, and voice recording, all derivative data, and derivative databases; • list of all subjects entered in the study and the cross-walk connecting the subjects name with the code used for each subject; subject compensation records; • reports of adverse events, complaints and deviations from IRB-approved protocol; • data analyses; • codes and keys used to de-identify and re-identify subjects' PHI; • reports (including, but not limited to, abstracts and other publications); • research study correspondence not involving ORD, Office of Research Oversight (ORO), sponsor, or funding source; • correspondence and written agreements with the funding source or sponsor, ORD and applicable oversight entities such as IRB, Research and Development (R&D) Committee, VA Office of Research and Oversight (ORO), VA Office of Human Research Protections (OHRP) and FDA; • research study correspondence not involving ORD, Office of Research Oversight (ORO), sponsor, or funding source; • signed and dated forms submitted to regulatory agencies • investigator's brochure; • records related to the investigational drugs such as drug accountability records; • monitoring and audit reports such as Data Safety Monitoring Board Reports and audits by oversight entities; • documents related to budget and funding; • other forms required by policy and regulation; Note: If the investigator leaves VA, all research records are retained by the VA facility where the research was conducted. If the grant is ongoing and the investigator leaves one VA facility to go to another VA facility, the investigator must obtain approval for a copy of relevant materials to be provided to the new VA facility's research office. The investigator is not the grantee, nor does the investigator own the data.
