	<p>Voluntary Service records consist of administrative records containing personal information about an individual who has applied to become a volunteer at a VA health care facility. The records contain pertinent information on each regularly scheduled volunteer including name, telephone number, Social Security Number (SSN), address, birth date, entry date as a volunteer, assignment(s), total years and hours served, award information, qualifications, membership in service organizations, restrictions and preferences of duty, VA Form 10-7055, Application for Voluntary Service, and other information. Also, VA Form 10-7055 includes parental or guardian consent for student volunteers (if applicable) and benefits for services rendered as a volunteer worker on a without compensation basis for an indefinite period.</p> <p>The records are maintained on two mediums, paper and electronic formats. Paper records and electronic versions of the paper records are maintained at VA health care facilities. Paper records are maintained alphabetically by volunteers' names. Electronic records are maintained by SSNs and/or VA health care facilities internal numbers. They are filed and retrieved by volunteers' names, SSNs and/or other identifying number.</p> <p>The corporate database, which is maintained at the VA Austin Automation Center (AAC) in Austin, TX, contains information transmitted electronically by VA health care facilities to the AAC. The database consists of aggregated information created by consolidating information received by VA health care facilities.</p>
