

# INACTIVE - ALL ITEMS SUPERSEDED OR OBSOLETE

Schedule Number: NC1-015-81-19

All items in this schedule are inactive. Items are either obsolete or have been superseded by newer NARA approved records schedules.

## Description:

One-time disposal of about 52 c.f. to be retired to Philadelphia FRC and destroyed in 2005. NARS-5 does not show these records ever arriving. VA removed the file code covering these records from its 2014 edition of records manual VB-1, so disposal at the VA is assumed.

	<p>Title papers documenting transfer to Administrator of property rights which are superseded or extinguished after property disposition. Includes quitclaims, sheriffs and other deeds to Administrator; estoppel affidavits; surveys; title abstracts; equivalent evidence of clear title required in the particular state according to case circumstance but which are not transferable to purchasers. (VAROIC Philadelphia)</p> <p>Retire to FARC* Destroy January 1, 2005.</p> <p>NOTE: These records are dated 1950-1970. They are scheduled and should have been filed in the loan folders for the required 35 years. Most of the records cannot be identified with a loan folder and the cost of interfiling would be tremendous. We are requesting a one-time disposition to allow the station to retire the records to the local FARC. They will be retained 35 years from the date of the latest record. The retention period is derived from the average life of a loan folder.</p>	<b>NCI-15-79-13</b>
