4.602 Federal Procurement Data System.
(a) The FPDS provides a comprehensive mechanism for assembling, organizing, and presenting contract placement data for the Federal Government. (b) The FPDS Reporting Manual provides a complete list of reporting and nonreporting agencies and organizations. This manual (available at no charge from the Federal Procurement Data Center, General Services Administration, Suite 900, 4040 N. Fairfax Drive, Arlington, VA 22203, telephone (703) 235-2141) provides the necessary instruction to the data collection point in each agency as to what data are required and how often to provide the data.
