The National Mediation Board is an independent administrative agency established by the Railway Labor Act, as amended, 45 U.S.C. 151, et. seq., the law governing labor relations in the railroad and air transport industries. The principal duty of the NMB is to assist in the creation and maintenance of a sound mutual understanding between air and rail carriers and their employees covered by the Railway Labor Act (RLA). The purpose of the Act is to promote and maintain peace and order in those labor relations as a means of avoiding interruptions to interstate commerce. The act imposes positive duties on carriers and employees alike, defines rights and makes provisions for their protection, prescribes methods of settling various types of disputes, and sets up agencies for adjustment of differences.
