Chapter 2, Planning and Management Records

Electronic copies of records that are created on electronic mail and word processing systems and used solely to generate a recordkeeping copy of the records covered by other items in this schedule. Also includes electronic copies of records created on electronic mail and word processing systems that are maintained for updating, revision, or dissemination. In addition, this disposition does not cover any item already covered by the General Records Schedules or NARA schedule NC1-25-81-1.

a. Copies that have no further administrative value after the recordkeeping copy is made. Includes copies maintained by individuals in personal files, personal electronic mail directories, or other personal directories on hard disk or network drives, and copies on shared network drives that are used only to produce the recordkeeping copy.

Destroy/delete within 180 days after the recordkeeping copy has been produced.

b. Copies used for dissemination, revision, or updating that are maintained in addition to the recordkeeping copy.

Destroy/delete when dissemination, revision, or updating is completed.

c. Back-up tapes: Consists of electronic backup copies of email and word processing records used to recreate a system or its data in case of unintentional loss from online storage.

Retain for a minimum of 90 days and destroy/delete according to standard backup procedures as instituted by ITB.
