Dear Mr. Hamel:

We are returning without action the SF 115, Request for Records Disposition Authority, relating to Personnel Research and Test Validation Records (NCI-28-84-4). In accordance with telephone conversations between Rita Wolfinger of my staff, Jon Heddishheimer of the Machine Readable Branch of the Special Archives Division, and William Robinson of USPS, it was agreed that the change requested is not one which requires NARS approval.

Sincerely,

(Signed) RAYMOND A. MOSLEY
