

# INACTIVE - ALL ITEMS SUPERSEDED OR OBSOLETE

Schedule Number: N9-047-00-010

All items in this schedule are inactive. Items are either obsolete or have been superseded by newer NARA approved records schedules.

## Description:

Records schedules starting with the number N9 were created in response to NARA Bulletins 99-04 and 2000-02. The N9 records schedules created from 1999-2002 allowed agencies to create bulk updates to previously approved schedules to cover copies of records in word processing and email formats. Word processing and email formats are now scheduled in the General Record Schedules, superseding all N9 records schedules approved by NARA. See GRS 5.1 Item 020 Non-record keeping copies of electronic records (DAA-GRS-2016-0016-0002).

Date Reported: 09/16/2014
