POST-ENTITLEMENT SOURCE DOCUMENTS

The files described in this schedule are source documents accumulated as a result of reporting and handling post-entitlement events by beneficiaries and the Social Security Administration. For the purposes of this schedule, a post-entitlement event is defined as any action requiring a change in a beneficiary's account after initial entitlement. These records accumulate in SSA district and branch offices and in SSA program centers.

1. Work Report Records

These files consist of Form SSA-1425, Reporting Card, and comparable documents used by beneficiaries or their representatives to report current year work and earnings information to the Social Security Administration. Excluded from this definition are Annual Reports of Earnings submitted pursuant to Section 203 (h) and (i) of the Social Security Act.

Retain at the point of receipt for three (3) months and then dispose of the source document.
