	<p><u>TITLE XVI (SSI) CLAIMS CASE FOLDERS</u></p> <p>These claims folders contain all pertinent material accumulated in the adjudication of a claim for SSI payments. Included are the initial claims application and supporting documentation, award or disallowance notices, redetermination documents, certain payment history forms and related material. Cases in pay status, as well as initial denials are maintained by the Folder Staging Facility. Initial denial cases are defined as cases which have never been in pay status and, therefore, are not covered under civil and criminal statutes of limitations for recovery of overpayments. Terminated cases are defined as cases in which SSI payments have been terminated due to current ineligibility, death, etc. Once any outstanding underpayment or overpayment situations are resolved, folders for claimant cases terminated by death have limited administrative value since the SSI program does not confer future entitlement to any other claimants.</p>	<p><i>000.g:40-2</i> <i>Appendix C</i> <i>Item 15</i></p>	<p>3 items</p>
