**Employee Inappropriate Internet Use Notifications**

Records created as part of an effort to eliminate employee accesses to sex, gambling, and hate/extremism Internet websites. Includes, but is not limited to, reports identifying employees who have attempted to access these inappropriate sites (extracts from web access logs maintained by NHT), file copies of letters sent to these employees notifying them to cease such activity, and any other records created by this process. Records are kept by notification cycle by fiscal year.

Disposition:

a) All records created and/or maintained by the Human Resources Services Division (NHH). Cut off file annually. Destroy when 2 years old

b) Copies of reports identifying employees, created and maintained by Washington Operations Branch (NHT) Destroy upon transmission to NHH.
Electronic Mail and Word Processing System Copies

Electronic copies of records that are created on electronic mail and word processing systems and used solely to generate a recordkeeping copy of the records covered by the other items in this schedule. Also includes electronic copies of records created on electronic mail and word processing systems that are maintained for updating, revision, or dissemination.

a. Copies that have no further administrative value after the recordkeeping copy is made. Includes copies maintained by individuals in personal files, personal electronic mail directories, or other personal directories on hard disk or network drives, and copies on shared network drives that are used only to produce the recordkeeping copy.

Destroy/delete within 180 days after the recordkeeping copy has been produced.

b. Copies used for dissemination, revision, or updating that are maintained in addition to the recordkeeping copy

Destroy/delete when dissemination, revision, or updating is completed.
