| S | Supervisory records. See attached | sheet. | | | CITATION | ONE TY |

1. Administrative Action General File

Includes internal memoranda indicating supervisory concerns identified by the examiners which may require administrative action against an institution; Supervision and Monitoring forms (SAM); recommendations by the Office of Analysis and Supervision to the FCA Board concerning administrative action; memoranda indicating any changes to the recommended action. The file is maintained by the Supervision Division.

Destroy 5 years after termination of action, or when 5 years old if no administrative action taken.

2. Administrative Action Legal Documents File

Signed, original documentation, maintained by the Supervision Division, of administrative actions pursuant to the Farm Credit Act of 1971 as Amended. Includes Supervisory Letters, Agreements, Cease and Desist Orders, Temporary Cease and Desist Orders, Notice of Charges, Stipulations, etc. The file is arranged by Farm Credit System district and then by institution.

Destroy 5 years after termination of action.

3. Administrative Action Compliance Document File

After an administrative action is taken against a financial institution, the institution is required to document progress toward compliance with the action. This documentation includes various reports submitted by the institutions and copies of the compliance page of the reports of examination. The compliance document file is maintained by the Supervision Division; it is arranged by Farm Credit System district and then by institution. The Administrative Tracking System form is attached to the left side of the folder for each institution.

Destroy one year after termination of action.

4. <u>Division of Supervision Working Files</u> reference

Includes nonrecord/material such as: internal and external correspondence including letters to or from financial institutions or other organizations; prior approval requests and analyses of prior approvals by the Division of Supervision; and financial information such as balance sheets, income statements, and miscellaneous computer printouts indicating the financial condition of supervised institutions.

Destroy 2 years after receipt of material.
