Johnny J. Young
Acting Chief, Records and Forms
Management Branch
General Services Administration
Washington, D.C. 20405

Dear Mr. Young:

We have reviewed your request of August 8, 1984, requesting records disposition authority for Fleet Management Program Records and specifically items 50A26, 50A80 x-kk and 50B25-d. The proposed retention periods for the records described in the agency's request are adequate for our financial-type purposes except for 50A80 x and y. According to GRS 3, 10a, inventory lists should be maintained for two years from the date of the inventory list.

The above information has been discussed with Maria Braden of your staff.

Sincerely,

Julius S. Brown
Records Management Officer

CHAPTER 50. FLEET MANAGEMENT PROGRAM RECORDS

1. General. This chapter provides documentation, maintenance, and disposition instructions for records accumulated at Central Office and the regions in the development and operation of programs concerned with the management, operation, repair, and maintenance of automotive and other motorized equipment. These instructions are contained in:

a. Appendix 50-A. Fleet Management Center Operations Program Records

b. Appendix 50-B. Fleet Management Program Records

2. Microfilming records. The records described in this chapter may be converted to microform and the original paper records destroyed if the requirements of the HB, GSA Micrographics Management Program, chs. 3-1 and 3, and 4-3 and 4 (OAD P 1882.1), are met.

This appendix provides maintenance and disposition instructions for program records on the management of fleet management operations. This includes establishing and disestablishing Fleet Management Centers; developing plans and procedures for vehicles and equipment; determining annual replacement requirements, including budget justifications and procurement specifications, studies and surveys, and development of statistical data. Fleet management operation program records are created under the GSA Organization Manual (OHR P 5440.1) and pursuant to the provisions of GSA orders and handbooks in the 5600 subject classification series.
