I.1 AUDIO TAPES AND FINDING AIDS OF TVA BOARD MEETINGS

This record series includes two sets of audio recordings of all Board meetings held by the Tennessee Valley Authority General Manager and the Board of Directors. In 1989, this security copy was recalled to the TVA Knoxville Records Center. In compliance with 18 CFR, Part 1301.48(b), a duplicate copy and a copy of the finding aids are maintained in the TVA Technical Library in Knoxville for two years. All duplicate tapes older than two years are presently stored in the TVA Knoxville Records Center. The tapes are arranged chronologically, dating from 1977 to present.
