See the attached revision to the disposition for the Pre-ARMS records belonging to the Division of Power System Operations. This was originally submitted and approved as disposable on NARA job NC1-142-85-12.

The segment of these records dating from 1961 to 1978 are the only Pre-ARMS records not currently appraised as permanent, and they need to be included as permanent records to preserve a complete record of TVA's Power organization.

WITHDRAWN

~~← DIVISION OF POWER SYSTEM OPERATIONS FILES~~

~~The Division of Power System Operations (PSO) operated the transmission and communication system network to deliver power from sources of supply to delivery points serving power contractors. It determined system loading; performed dispatching; and provided relaying, protection, test, and maintenance services. It performed its field work through a district operating and maintenance organization.~~

~~From 1934 to 1960 Power Manager's Files served as PSO's official file (permanent, NC1-142-85-12, Item A). From 1961 to 1978 PSO maintained an official file and discontinued sending copies to Power Manager's Files. PSO maintains 125 cubic feet of hard copy records dating from 1961 to 1978. 121 cubic feet are stored in the Chattanooga Records Center and 4 cubic feet are stored at the Muscle Shoals Record Center.~~
