JUSTIFICATION FOR PURCHASING'S DEVIATION FROM THE GENERAL RECORDS SCHEDULE (GRS) FOR PROCUREMENT FILES

Purchasing's procurement files are often utilized as background for day-to-day operations; to settle disputes; and answer questions. A study was conducted to measure the activity of retrieval for procurement contracts under $25,000 which are at least two years old and are stored in the Chattanooga Records Center. The study revealed that less than 10 percent of all procurement contracts in the records center were requested, but at least 55 percent of the files requested were for under $25,000 contracts. Therefore, approval to deviate from the GRS for these records is requested.

Routine Procurement Files was withdrawn from job No. NC1-142-85-15 and is now being resubmitted for your approval.
