BUSINESS CREDIT CARD SUPPORT DOCUMENTS

This schedule covers support documents on purchases made TVA-wide using VISA credit cards. The TVA business credit card is used for official business in accordance with established TVA guidelines. There is a limit of $5,000 per transaction. In the past these purchases were made on TVA 4421 Field Purchase Orders. The credit card program began in October 1989. Treasury Services pays the bank every month in a lump sum payment. Distribution is then made to the account number designated by each cardholder when they apply for the card. Treasury receives a computer tape each month that they use to print each cardholder's statement. Statements are mailed to each cardholder. Each cardholder is responsible for verifying all charges are correct. Each statement is to be signed by each cardholder and his/her approving official. Treasury Services does not retain any cardholders' records. The monthly statements and original sales receipts, invoices, shipping tickets, credits, and other supporting documentation are retained by the card holder or person designated by each organization to hold these documents.
