Heads of offices and divisions are delegated authority by the General Manager, through the TVA Codes and other media, to sign specific contracts and agreements, rate schedules, other documents involving TVA and other parties, and interdivisional forms. 	<p>(TVA 3080 may also be used as a cancellation notice). All copies of forms TVA 3079 and TVA 3080 are signed by the authorizer.</p> <p>Only one of each of form 3079 and 3080 for an employee should be outstanding at any time. Issuance of a revised form automatically cancels all authorizations previously given to an employee. Any office receiving a copy of these forms should remove from its active file any previously issued form for that employee. If an office or division wishes to eliminate all approval authority previously granted to an employee, all divisions which originally received a copy of either form for that employee should be notified. When an employee is terminated or transferred to another organization, or when his duties are changed so approval authority is no longer required, all appropriate offices should be notified immediately.</p> <p>Before accepting controlled forms and supplying the service materials, or funds requisitioned, the controlling division will ensure that the person signing the request form has been authorized to do so.</p> <p>The records used by the controlling divisions to verify authorization are as follows:</p> <ul style="list-style-type: none"> ①. The copy of TVA 3080 which the controlling division receives from the authorizing division is used if the services, materials, or disbursements by the controlling division to the authorizing division are provided at one location. ②. When services, materials, or disbursements are provided at more than one location, the controlling division may prepare a copy of form TVA 3240, Authorization Records, for each location. A new set of TVA 3240 is not issued when a revised TVA 3080 continues the authority to sign a form already delegated. A copy of the original TVA 3080 may be distributed in lieu of the TVA 3240. Notice of cancellation of authority to sign a form is sent to each organization. ③. Form TVA 1733, Authorization to Approve Stores Requisitions, may be required by the organization operating a storeroom to identify the signature of employees who requisition materials on form 575. The authorizing division prepares a copy of TVA 1733 for each storeroom to which the authorized employee is
