The records described under all items of the schedule, except those that may be listed in blocks 2, 3, and 4 of this section, are disposable because they do not have sufficient value for purposes of historical or other research, functional documentation, or the protection of individual rights to warrant permanent retention by the Federal Government.

SECTION III - APPRAISER'S COMMENTS

The attached SF 115 consists of a request for a one-time disposition authority for records pertaining to the Federal retirement and health benefits program. Items 1 and 2 are already scheduled for disposal in OPM's records disposition handbook (AMS 44-3). Item 5 is already scheduled by GRS 20. Items 4 and 6 have been withdrawn because the agency could not locate the records. Item 3, which appears to be lists of claim numbers with a second number called a "batch number," do not have sufficient evidential or informational value to warrant archival retention.

I recommend this schedule item be approved for disposal. NNF concurred on October 1, 1985.
