1. List of Registrants (SSS Form 3) is a record, prepared by each Local Board monthly, of persons registered and mailed a Registration Certificate.

"Destroy at the end of the year in which registrants have attained 26 years of age. Earlier disposal is authorized".

NOTE:
The retention period specified above constitutes a change to the retention of this form indicated in National Archives Job No. NN-173-310 and will permit the orderly disposal of these records.

SSS Form 3 was discontinued in April 1973 and replaced by an automated monthly listing containing the same information. Used as a locator file, these records are no longer needed because all registrant records extant are in Federal Records Centers or National Headquarters.

The Selective Service System General Counsel interposes no legal objection to the disposal of these records in view of the fact that their retention serves no essential prosecutorial or other specifically legal purpose.

Information, similar in content, is maintained on an individual basis (SSS Form 1 - Registration Card) at the Federal Records Centers.
