   (With Inclusive Dates or Retention Periods)
   Common Carrier Bureau
   Functions of the Bureau. The Common Carrier Bureau develops, recommends and administers policies and programs for the regulation of the services, facilities, rates and practices of entities (excluding public coast stations in the maritime mobile service) which furnish interstate or foreign communications services for hire—whether by wire, radio, cable or satellite facilities—and of ancillary operations related to the provision or use of such services. The Bureau also licenses all radio facilities used for such services, including those dedicated entirely to intrastate use.

## Accounting and Audits Division

1. **Computer II Original Case Files**
   These files contain waiver requests, petitions, public comments, Commission Orders and correspondence, staff workpapers and notes, carrier agreements, information responses, financial data, and other papers relating to the Commission's Orders deregulating telephone companies', customer premises equipment and enhanced services.

   **Maintain** in office.

   **Transfer** to Federal Records Center five (5) years after case is closed.

   **Destroy** ten (10) years after case is closed.

2. **Computer II Duplicate Case Files**
   These files contain copies of carrier waiver requests, petitions, public comments, public notices, and Commission Orders and correspondence.

   **Maintain** in office.

   **Destroy** three (3) years after case is closed.

3. **Computer II Confidential Case Files**
   These files contain carrier information which is given confidential or privileged treatment under the Commission Rules (See Sections 0.457(d) and 0.459).

   **Maintain** in office.

   **Destroy** when obsolete or no longer required for current business or administrative purposes.
### 4. USOA Rewrite Files

This is the historical record of the rewrite of the Uniform System of Accounts for Telephone Companies (USOA), Part 32. This consists of the meeting files, related correspondence, memoranda and work papers of the Telephone Industry Advisory Group (TIAG) which was established to assist in writing the new USOA.

- **Maintain** in office.
- **Destroy** when no longer required for current business or administrative purposes.

### 5. Federal-State Joint Board Activity

These files include data used to determine jurisdictional separations between state and interstate, as prescribed by Part 67 of the Commission's Rules. These reports are filed by the carriers, on Commission request, to assist the Commission in determining possible alternative methods of separating cost.

- **Maintain** in office.
- **Destroy** when obsolete or no longer required for current business or administrative purposes.
