	<p>Records of the Utah Reclamation Mitigation and Conservation Commission.</p> <p>The Utah Reclamation Mitigation and Conservation Commission is an Executive branch agency of the federal government. The Commission was authorized under the Central Utah Project Completion Act of 1992. The Act set terms and conditions for completing the Central Utah Project, which diverts stores and delivers large quantities of water from numerous Utah rivers to meet the needs of central Utah's citizens. The Mitigation Commission is responsible for designing, funding and implementing projects to offset the impacts to fish, wildlife and related recreation resources caused by CUP and other federal reclamation projects in Utah.</p> <p>Records are described on the attached SF-115A Continuation form.</p>
