Item A: National Indian Gaming Commission (NIGC): MICS Audit Program

The Minimum Internal Control Standards (MICS) Audit Database is an electronic auditing tool that maintains the results of MICS. The primary focus of the Audit Division is to monitor compliance with the Commission's MICS, 25 CFR, part 542. This set of regulations establishes uniform standards that are effective and essential in protecting the integrity of Indian gaming. This database maintains the results of audit reports, auditor notes, electronic checklists, and work papers associated with audits conducted at Indian gaming operations. Reports, summaries, and statistics can be generated as needed.

1. Inputs

The audited results of each gaming operation performed on Indian lands are keyed into the database by Regional Auditors.

Disposition: **TEMPORARY**. Delete when data have been entered into the database and verified, or when no longer needed to serve as a backup to the database, whichever is later. (GRS 20/2b)

Superseded by:

DAA - GRS - 2017 - 0003 - 0002
DATE (MM/DD/YYYY):

05/31/2017

2. Master File

Files include minimum internal control standards (MICS) audit reports generated by the NIGC, auditor notes, checklist(s), correspondence, and working files.

Disposition: **TEMPORARY**. Cut-off files at end of calendar year. Destroy 8 years after cut-off or when no longer needed for business purposes.

Superseded by:

DAA - 0600 - 2017 - 0013 - 0001
DATE (MM/DD/YYYY):

3. Outputs

Audit reports and summaries are generated based on auditor's conclusions, notification of the tribe, and work performed. Files contain copies of final report issued by NIGC, to include any recommendations and responses indicating action taken to recommendations.

Disposition: **TEMPORARY**. Delete when the agency determines that they are no longer needed for administrative, legal, audit or other operational purposes. (GRS 20/5)

Superseded by:

National Indian Gaming Commission (NIGC): Audited Financial Statement Database

Item B: The Audited Financial Statement Database is an electronic auditing tool that maintains the results of tribal financial audits. The primary focus of the Audit Division is to monitor compliance with the Commission's MICS, 25 CFR, part 542. This set of regulations establishes uniform standards that are effective and essential in protecting the integrity of Indian gaming. This database maintains information on tribal operation, tribal assets, gross revenue, and profits associated with financial audits conducted at Indian gaming operations. Reports for tribal compliance and key financial data are generated as needed.

1. Inputs

Financial information pertaining to the activity of tribal operations is entered from tribal financial statements.

Disposition: **TEMPORARY**. Delete when data have been entered into the database and verified, or when no longer needed to serve as a backup to the database, whichever is later. (GRS 20/2b)
