FEDERAL ENTITY CEASED OPERATIONS

Schedule Number: N1-220-86-001

Federal entities may cease operations when they are established as a temporary entity, are abolished, or functions are transferred to state or local government or private control.

Description:

In order to centralize the disparate functions and responsibilities of those offices charged with overseeing and approving changes to Pennsylvania Avenue, Congress created in 1972 the Pennsylvania Avenue Development Corporation (PADC). PADC was officially terminated on April 1, 1996, its goal of revitalizing Pennsylvania Avenue having been deemed fully met.
